standards 1 to 6 and 1 to 4 respectively. In both these institutions, the strength of the higher standards is not encouraging. Taking the Hindu girls' school alone which it is proposed to develop only two pupils are reading in the sixth standard. The Inspectress of Girls' schools who was asked to offer her views on the proposal recommends that it may be deferred for the present as the pupils do not seem to be very eager to continue their studies and that they do not know a word of English. I agree with the above officer.

3. In his letter dated 5th April 1930 the President, Taluk Board requests the payment of an additional subsidy of Rs.552 towards the cost of maintenance of two additional teachers in the Board Girls' school, Kollegal. The management of the school was transferred to the Taluk Board together with the payment of an annual recurring subsidy equal to the recurring expenditure incurred from Provincial funds at the time of transfer.. Government have not undertaken to pay any

additional grant. towards the cost of maintenance of the school. There ^{are} no grounds for deviating from this general principle in respect of this Taluk Board. The board should therefore meet the cost from the Elementary Education Fund under its control.

And
The Inspectress of Girls Schools,

In forwarding herewith a copy of the Taluk Board Resolution No.330 dated 21-3-1930, I have to state as follows:-

2 In this Office letter R.O.C.No.1649-1/K.T.B. of 29, dated the 20th December 29, Government have been requested that the Hindu Girls school, Kollegal, may be taken back under their control for reasons stated therein. Pending orders in the matter the services of the two temporary assistant mistresses in the school, have been retained for another year from 1-4-30.

3. It has been seperatedly brought to the notice of Government that the financial condition of the Taluk Board is poor. The annual contribution of Rs.16120/- by the District Board to wipe off the deficit is in itself an evidence to show the Taluk Board's condition so far as funds are concerned.

4. The two temporary mistresses said above have been employed at a monthly cost of Rs.46/-. I request therefore that Government may be pleased to sanction Rs.552/- to meet the cost thereof for one year and to pass early orders to take back the school and to convert it into a middle school from the commencement of next school year.
